Address of Training Institute: **Tamghas, Gulmi.**

Period of Training: From- Nov 20, **2011** To- May **20, 2012**

MR Tej Bahadur Thapa from Gawdakot of Gulmi was born in the poor family one day when he was walking in the road returning from school to his home Hope Director Mrs Ganga Rayamajhi met him. She helped him to keep his artificial leg by her organization. Then it became access to him to go to school. He was reading at 9 classes at that time. Easily he passed the SLC exam with good marks. At the time of his schooling it was very difficult to read his friends did not respect him because of disability. After his artificial leg was fitted in 2007 he got the opportunities to read and write. Now he passed the Higher Secondary education as well. He got the Mobile Repair Trainings from the Hope Disability Centre in 2011. He is married now. The society accepted him as a able person. He is happy and gives lots of thanks to the Hope Centre because of his success story by the centre. Now he is taking loan for his mobile repair centre at his own local Market. He has his own income through the mobile trainings. His wife is also happy to be with him. His family mother and fathers are very happy to know that his son becomes a successful person in the society by the help of Hope Disability Centre. Now his lifestyle is changed. He is educated. He is rehabilitee by his artificial legs when Abilis helped to him for the trainings and Loans for his shop. He gives lots of thanks to the ABILIS project of Hope Disability Centre for making him success life. Now he earns 6 to 8 thousands RS through his repair Centre so he is too much happy. He is making his own lifestyle through his own income its ABILIS's contribution....
